

Why Partner with *quickbeds.com* ?

Quickbeds.com is Flight Centre Limited's online hotels division, servicing direct customers and Flight Centre's agency network. We aim to be Australia's preferred online accommodation site, personalised for and trusted by our customers and partners to assist them in finding the right place to stay. We are passionate about delivering a user-friendly and dynamic booking experience, with unrivalled distribution.

Benefits

- ✓ Access to a wider range of consumers as your inventory is made available across Flight Centre's entire distribution network
- ✓ Access to our Retail and Corporate network of over 4,000 travel consultants in Australia and New Zealand
- ✓ Support from our customer service teams, directing enquiries to your property or advise you when additional availability is required
- ✓ Dedicated regional Product Manager for ongoing assistance and support of your property listing
- ✓ Communication and updates about Quickbeds.com and the Flight Centre Limited businesses via our supplier e-newsletter
- ✓ No joining or annual fees
- ✓ Automated monthly electronic payments for all of your bookings, **invoices are not required**
- ✓ Your property manages and has total control of inventory and rates
- ✓ Established API link connections with managers such as Siteminder, Levar, RMS, Resonline, STAAH, Seekom, Hisite, V3/Front Desk, Pegasus

Distributing your inventory on Quickbeds is a great way to promote your property to consumers in both the online arena, as well as the unique additional mechanism of the Flight Centre Limited Retail and Corporate store network. When you list your property on Quickbeds.com, your dynamic inventory will automatically be listed on all the Flight Centre Limited white label websites.
